

Color Laser Multifunction Printer

For your Small Office customers who need a high quality & high performance color laser multifunction for printing, copying, faxing, and scanning.

- Duplex Versatility with 2-sided printing, copying, faxing and scanning.
- Easy-to-Use with large 3.5" color panel and Easy-Scroll Wheel.
- Shared productivity with built-in Ethernet networking.
- Produce vibrant color images and sharp black text with Superior Color Imaging and Pure Black Technology.

DUPLEX VERSATILITY

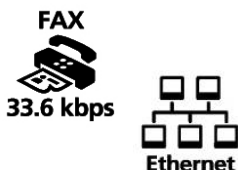

Duplex Versatility

Print on two sides – use half the paper! Two-sided output for printing, copying and receiving faxes saves space and reduces paper consumption. Scan & copy 2-sided originals using the 50-sheet Duplex Automatic Document Feeder.¹

Easy to Use

An innovative 3.5-inch color panel with Easy-Scroll Wheel provides your customers effortless control over all their projects. LDAP Address Book facilitates quick and easy scanning and sending. ID Card Copy makes it easy to copy 2-sided cards in one operation. With 2 USB ports, documents can be scanned directly to a USB drive for easy transport.

High Performance with Shared Productivity

Documents are ready fast, with output speeds of up to 22 ppm in both black & color. The fast Super G3 fax includes 200 speed dial locations, as well as a generous 1,000-page fax memory.² Your customers can share the convenience of network printing, PC faxing, scanning and sending.³ Password-protected Department ID Management helps control device usage. Achieve higher document control and quality with PCL 5c/6 capabilities.

Pure BLACK

Superior Color Imaging

Capture finer details with remarkable tone-on-tone clarity. Pure Black Technology ensures the richest blacks by utilizing only the black toner to print black text. The Auto Gradation Adjustment System helps to produce consistently excellent color by automatically adjusting to the changes in the environment.

Toner

- Cartridge 111 (Black, Cyan, Magenta, Yellow)
 - C/M/Y/K (Each yields approximately 6,000 pages based on ISO/IEC Standard)
 - Full Cartridges Included

Accessories

- Optional second 500-sheet cassette
- Optional Cabinet

Operating Systems⁴

- Windows® 7/ Server® 2008 / Vista® / Server 2003 / XP2000
 - (USB & Network: Print/PC Fax/Scan/Send)
- Mac® OS X 10.4.9 – 10.6
 - (USB: Print/PC Fax/Scan, Network: Print/PC Fax)

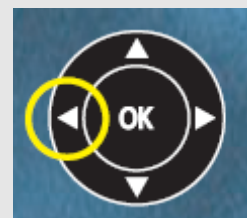

Environmentally Conscious www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Auto Duplex Print** – Save paper with automatic two-sided printing & copying.

SALES TIP!

Let the MF9220Cdn sell itself. Print a **2-sided color** demo page:

- Press and hold the **Left Arrow** key for 2-3 seconds

Why Choose the MF9220Cdn

Over the HP Color LaserJet CM2320fxi	Over the Xerox Phaser 6180MFP/D
<ul style="list-style-type: none"> Exclusive Canon Color Imaging Technologies capture finer details with remarkable tone-on-tone clarity. Carry documents on the go with ease using Scan to USB. Lower energy consumption with 1W Energy Saver Mode. 	<ul style="list-style-type: none"> Carry documents on the go with ease using Scan to USB. Ensure faxes are received even if paper runs out with a 1,000 page fax memory. Lower energy consumption with 1W Energy Saver Mode.
