

Color Laser Multifunction Printer

For small offices that require an all-around multifunction that can print, copy, scan and fax, the MF9280Cdn does not disappoint.

- **Printing Versatility:** Print from memory cards.¹ Higher document control and quality with Adobe PostScript 3 Emulation and PCL 5c/6 capabilities.
- **Duplex Versatility** with 2-sided printing, copying, faxing and scanning.
- **Easy-to-Use** with large 3.5" color panel and Easy-Scroll Wheel.
- **Produce vibrant color images and sharp black text** with Superior Color Imaging and Pure Black Technology.

SD/MF & CF
Card Slots

Printing Versatility

Print JPEG or TIFF data files up to 2GB right from memory cards. The MF9280Cdn can take full advantage of a PC's processing power for high speed processing, with Canon's proprietary host-based printer language, UFR II LT (Ultra Fast Rendering). The MF9280Cdn also includes PCL (Printer Command Language) and PostScript 3 Emulation support.

DUPLEX VERSATILITY

Duplex Versatility

Print on two sides – use half the paper! Two-sided output for printing, copying and receiving faxes saves space and reduces paper consumption. Scan & copy 2-sided originals using the 50-sheet Duplex Automatic Document Feeder.²

Easy to Use

An innovative 3.5-inch color panel with Easy-Scroll Wheel provides your customers effortless control over all their projects. LDAP Address Book facilitates quick and easy scanning and sending. ID Card Copy makes it easy to copy 2-sided cards in one operation. With 2 USB ports, documents can be scanned directly to a USB drive for easy transport.

Superior Color Imaging

Capture finer details with remarkable tone-on-tone clarity. Pure Black Technology ensures the richest blacks by utilizing only the black toner to print black text. The Auto Gradation Adjustment System helps to produce consistently excellent color by automatically adjusting to the changes in the environment.

Toner

- Cartridge 111 (Black, Cyan, Magenta, Yellow)
 - C/M/Y/K (Each yields approximately 6,000 pages based on ISO/IEC Standard)
 - Starter Cartridges Included

Accessories

- Optional 500-sheet Cassette
- Optional Cabinet

Operating Systems³

- Windows® 7 / Server® 2008 / Vista® / Server 2003 / XP2000
 - (USB & Network: Print/PC Fax/Scan/Send)
- Mac® OS X 10.4.9 – 10.6
 - (USB: Print/PC Fax/Scan, Network: Print/PC Fax)

Environmentally Conscious www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Auto Duplex Print** – Save the office paper by printing, copying (1 to 2-sided), and receiving faxes printed on both sides of the paper.

SALES TIP!

Remind your customers how **Energy Efficient** the MF9280Cdn is.

Energy Saving Mode reduces power consumption to approximately 1 watt of energy used, saving money while maintaining our environment.⁴

Why Choose the MF9280CDN

Over the HP LaserJet M3035xs

- Print & copy – in color. Exclusive Canon Color Imaging Technologies capture finer details with remarkable tone-on-tone clarity.
- Lower energy consumption with 1W Energy Saver Mode.
- Easily make a 1-sided copy of a 2-sided card with ID Card Copy

Over the Lexmark X738de

- Capture finer details and produce the richest black text with Canon Color Imaging and Pure Black Technology.
- Lower energy bills thanks to the MF9280CDN's 1W Energy Saver Mode.
- Capture important information easily with ID Card Copy
